What kind of experience do you have with dogs and which breeds?

My husband grew up with two golden retrievers. We occasionally dog sit for a friend.

Other factors you feel that should be considered.

We are on our honeymoon in South Korea at the moment. We tried adopting a Jindo mix from a dog shelter, but the airline and

our long layover in China made it impossible :(We fell in love with this dog breed and would love to rescue one after learning of the issues with dogs in Korea. We have wanted a dog for several years, but we were waiting for the right time. Now, we are ready for this commitment and we are looking forward to add a new member to our family <3.
